# SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY

## Purpose and Aim

South Hylton Primary School's whole-school Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the school's commitment to the development of good practice and sound procedures to keep children safe in our school.

The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

Governors and staff are committed within South Hylton Primary school to safeguarding and promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

## Introduction

South Hylton Primary School fully recognises the contribution it can make to keeping children safe and supporting the pupils in its care. There are four main elements to South Hylton Primary school's child protection policy:

1. Prevention (positive school atmosphere, careful and vigilant teaching, pastoral care, support to pupils, providing good adult role models and the identification of early and additional support/services to children and families and recognizing and reducing risks to children including harassment, bullying, victimization, exploitation, radicalization and issues such as Honour Based Violence Female Genital Mutilation and Forced Marriage.)
2. Protection (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and updates at least annually and are supported to refer their concerns to the Designated Safeguarding Lead, Mrs. Julie Cort, or Deputy Designated Safeguarding Lead, Mrs. Angela Roberts, or the MASH (Children's Safeguarding through CSN 0191 520 5560) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalization or Forced Marriage there are SPOCS/named teams and individuals within the police who can be contacted.
3. **Reconsideration** (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).
4. **Support** (to pupils and school staff and to children who may be vulnerable due to their individual circumstances).

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

All Staff have a responsibility to recognise child abuse, neglect and peer on peer abuse in its many forms. **This policy applies to South Hylton Primary School’s whole workforce.**

### **Framework and Legislation**

No Schools operate in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Sunderland Local Safeguarding Children Board, which includes the partnership of several agencies who work with children and families across the City.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

South Hylton Primary School is committed to respond in accordance with Child Protection: Sunderland Local Safeguarding Children Board procedures [www.sunderlandscb.com](http://www.sunderlandscb.com) and partner agencies in all cases where there is a concern about significant harm.

Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

**Note:** harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.

*(Adoption and Children Act 2002)*

Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. The MASH, Children's Safeguarding undertakes this responsibility on behalf of the Local Authority once a referral has been made.

Keeping Children Safe in Education September 2016 contains information on what schools and colleges **should** do and sets out the legal duties with which schools and colleges **must** comply. It should be read alongside Working Together to Safeguard Children 2015 which applies to all the schools, including maintained nursery schools. The Children Act 1989 sets out the Legal Framework.

### **Roles and Responsibilities for all staff**

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as child sexual exploitation (CSE), Honour Based Violence (HBV) inclusive of Female Genital Mutilation (FGM) and Forced Marriage, preventing radicalization and extremism, harassment, bullying and victimization) preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

Everyone who comes into contact with children and their families has a role to play in safeguarding children. Due to the regular contact with children all staff at South Hylton Primary school have, we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within schools. Therefore it is important that ALL staff:

- Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

- Ensure that they report ANY concerns of harm to any child to the Designated Safeguarding Lead immediately. (However, ALL staff can refer their concerns directly to the MASH, Children’s Safeguarding if necessary and the police in the stated incidents above. They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly.
- Ensure that they record any information shared directly with them by a child or observed/witnessed with the Designated Safeguarding Lead immediately. This could include sharing information on behalf of the Designated Safeguarding Lead with other agencies. All discussions decisions and reasons for them should be recorded in writing adhering to South Hylton Primary school’s recording and information sharing policy/procedure.
- Ensure that they maintain an attitude of **‘it could happen here’** and report any concerns regarding the behaviour of a child /an adult/staff member in school directly to the Designated Safeguarding Lead/Headteacher.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the school’s safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.
- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1<sup>st</sup> July 2015 for schools, that under the Counter Terrorism and Security Act, April 2015 that the school has ‘Due regard’ To Prevent’ and to assess risk of children and young people being radicalised drawn into extremism (based upon potential risks in local area and that clear protocols in place for all visitors so that views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.
- Ensure that staff understand through online safety training the additional risks for pupils online and continue to promote the School’s Online Safety Policy in the protection of all pupils.

*South Hylton Primary School will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.*

### **Types of Child Abuse and their Symptoms**

Child abuse can be categorised as follows:

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

1. Physical Abuse
2. Sexual Abuse
3. Emotional Abuse
4. Physical Neglect
5. Grave Concern/at risk — this is not a distinct category but is dealt with separately. A child can be at risk from any combination of the four categories

These different types of abuse require different approaches. A child suffering from physical abuse may be in immediate and serious danger. Action should, therefore, be taken immediately. With other forms of abuse there is a need to ensure that adequate information is gathered. There is also a need to make sure that grounds for suspicion have been adequately investigated and recorded. The need to collate information must be balanced against the need for urgent action. If there are reasonable grounds for suspicion then a decision to monitor the situation should only be taken after consultation. A situation that should cause particular concern is that of a child who fails to thrive without any obvious reason. In such a situation a medical investigation will be required to consider the causes. Each of the five categories will now be explored in more detail.

### **Physical Abuse**

This involves physical injury to a child, including deliberate poisoning, where there is definite knowledge or a reasonable suspicion, that the injury was inflicted or knowingly not prevented. Typical signs of Physical Abuse are:

- bruises and abrasions - especially about the face, head, genitals or other parts of the body where they would not be expected to occur given the age of the child. Some types of bruising are particularly characteristic of non-accidental injury especially when the child's explanation does not match the nature of injury or when it appears frequently.
- slap marks — these may be visible on cheeks or buttocks.
- twin bruises on either side of the mouth or cheeks - can be caused by pinching or grabbing, sometimes to make a child eat or to stop a child from speaking.
- bruising on both sides of the ear — this is often caused by grabbing a child that is attempting to run away. It is very painful to be held by the ear, as well as humiliating and this is a common injury.
- grip marks on arms or trunk - gripping bruises on arm or trunk can be associated with shaking a child. Shaking can cause one of the most serious injuries to a child; i.e. a brain haemorrhage as the brain hits the inside of the skull. X-rays and other tests are required to fully diagnose the effects of shaking. Grip marks can also be indicative of sexual abuse.
- black eyes – are mostly commonly caused by an object such as a fist coming into contact with the eye socket. NB. A heavy bang on the nose, however, can cause bruising to spread around the eye but a doctor will be able to tell if this has occurred.
- damage to the mouth – e.g. bruised/cut lips or torn skin where the upper lip joins the mouth.
- bite marks
- fractures

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

- poisoning or other misuse of drugs – e.g. overuse of sedatives.
- burns and/or scalds – a round, red burn on tender, non-protruding parts like the mouth, inside arms and on the genitals will almost certainly have been deliberately inflicted. Any burns that appear to be cigarette burns should be cause for concern. Some types of scalds known as ‘dipping scalds’ are always cause for concern. An experienced person will notice skin splashes caused when a child accidentally knocks over a hot cup of tea. In contrast a child who has been deliberately ‘dipped’ in a hot bath will not have splash marks.

### **Sexual Abuse**

The involvement of dependent, developmentally immature children and adolescents in sexual activities they do not truly comprehend, to which they are unable to give informed consent or that violate the social taboos of family roles. Typical signs of Sexual Abuse are:

- a detailed sexual knowledge inappropriate to the age of the child.
- behaviour that is excessively affectionate or sexual towards other children or adults.
- attempts to inform by making a disclosure about the sexual abuse often begin by the initial sharing of limited information with an adult. It is also very characteristic of such children that they have an excessive pre-occupation with secrecy and try to bind the adults to secrecy or confidentiality.
- a fear of medical examinations.
- a fear of being alone — this applies to friends/family/neighbours/baby-sitters, etc
- a sudden loss of appetite, compulsive eating, anorexia nervosa or bulimia nervosa.
- excessive masturbation is especially worrying when it takes place in public.
- promiscuity
- sexual approaches or assaults - on other children or adults
- urinary tract infections (UTI), sexually transmitted disease (STD) are all cause for immediate concern in young children, or in adolescents if his/her partner cannot be identified.
- bruising to the buttocks, lower abdomen, thighs and genital/rectal areas. Bruises may be confined to grip marks where a child has been held so that sexual abuse can take place.
- discomfort or pain particularly in the genital or anal areas.
- the drawing of pornographic or sexually explicit images

### **Emotional Abuse**

The severe adverse effect on the behaviour and emotional development of a child caused by persistent or severe emotional ill treatment or rejection. All abuse involves some emotional ill treatment - this category should be used where it is the main or sole form of abuse.

### **Physical Neglect**

The persistent or severe neglect of a child (for example, by exposure to any kind of danger, including cold and starvation) which results in serious impairment of the child’s health or

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

development, including non-organic failure to thrive. Persistent stomach aches, feeling unwell, and apparent anorexia can be associated with Physical neglect. However, typical signs of Physical Neglect are:

- Underweight — a child may be frequently hungry or pre-occupied with food or in the habit of stealing food or with the intention of procuring food. There is particular cause for concern where a persistently underweight child gains weight when away from home, for example, when in hospital or on a school trip. Some children also lose weight or fail to gain weight during school holidays when school lunches are not available and this is a cause for concern.
- Inadequately clad - a distinction needs to be made between situations where children are inadequately clad, dirty or smelly because they come from homes where neatness and cleanliness are unimportant and those where the lack of care is preventing the child from thriving.

Physical Neglect is a difficult category because it involves the making of a judgement about the seriousness of the degree of neglect. Much parenting falls short of the ideal but it may be appropriate to invoke child protection procedure in the case of neglect where the child's development is being adversely affected.

### **Grave Concern/at risk**

This is not a separate category of child abuse as such but covers a number of situations where a child may be at risk. Children whose situations do not currently fit the above categories but where social and medical assessments indicate that they are at significant risk of abuse. Grave concern may be felt where a child shows symptoms of stress and distress (see below) and any of the following circumstances apply:

- there is a known child abuser in the family;
- another child in the family is known to have been abused;
- the parents are involved with pornographic material to an unusual degree;
- there is an adult in the family with a history of violent behaviour;
- the child is exposed to potential risk or exploitation via the Internet e.g. pornographic material or chat rooms.

### **The Symptoms of Stress and Distress**

When a child is suffering from any one or more of the previous four 'categories of abuse', or if the child is 'at risk', he/she will nearly always suffer from/display signs of stress and distress.

An abused child is likely to show signs of stress and distress as listed below:

- a lack of concentration and a fall-off in school performance;
- aggressive or hostile behaviour;
- moodiness, depression, irritability, listlessness, fearfulness, tiredness, temper tantrums, short concentration span, acting withdrawn or crying at minor occurrences;
- difficulties in relationships with peers;

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

- regression to more immature forms of behaviour, e.g. thumb sucking;
- self harming or suicidal behaviour;
- low self esteem;
- wariness, insecurity, running away or truancy - children who persistently run away from home may be escaping from sexual physical abuse;
- disturbed sleep;
- general personality changes such as unacceptable behaviour or severe attention seeking behaviour;
- a sudden change in school performance.

### **Parental Signs of Child Abuse**

Particular forms of parental behaviour that could raise or reinforce concerns are:

- implausible explanations of injuries;
- unwillingness to seek appropriate medical treatment for injuries;
- injured child kept away from school until injuries have healed without adequate reason;
- a high level of expressed hostility to the child;
- grossly unrealistic assumptions about child development;
- general dislike of child-like behaviour;
- inappropriate labelling of child's behaviour as bad or naughty;
- leaving children unsupervised when they are too young to be left unattended

### **Child Sexual Exploitation and Female Genital Mutilation**

Child sexual exploitation (CSE) involves exploitative situations, contexts and relationships where young people receive something (for example food, accommodation, drugs, alcohol, gifts, money or in some cases simply affection) as a result of engaging in sexual activities. Sexual exploitation can take many forms ranging from the seemingly 'consensual' relationship where sex is exchanged for affection or gifts, to serious organized crime by gangs and groups.

What marks out exploitation is an imbalance of power in the relationship. The perpetrator always holds some kind of power over the victim which increases as the exploitative relationship develops.

Sexual exploitation involves varying degrees of coercion, intimidation or enticement, including unwanted pressure from peers to have sex, sexual bullying including cyberbullying and grooming. However, it is also important to recognize that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

**Female Genital Mutilation (FGM):** professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a girl being at risk of FGM, or already having suffered FGM.

There is a range of potential indicators that a child or young person may be at risk of FGM, which individually may not indicate risk but if there are two or more indicators present this could signal a risk to the child or young person. Victims of FGM are likely to come from a community

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

that is known to practise FGM. Girls at risk of FGM may not yet be aware of the practice or that it may be conducted on them, so sensitivity should always be shown when approaching the subject.

### **The Designated Safeguarding Lead**

South Hylton Primary School has appointed from our SMT Mrs. Julie Cort to be our Designated Safeguarding Lead. This person has the overall responsibility for safeguarding and Child Protection and has the appropriate authority and training to undertake such a role and is able to provide advice and support to other staff on child welfare and child protection matters. This person is able to take part in strategy discussions and inter agency meetings and to support other trained staff to do so as well as contribute to the assessment of children.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

### **Role of the Designated Safeguarding Lead**

At South Hylton Primary school we have appointed the following Deputy Designated Lead, Mrs. A. Roberts who is part of the safeguarding team. These individuals are trained to the same standard as the Designated Safeguarding Lead. Whilst the activities of the Designated Safeguarding Lead can be delegated to appropriately trained deputies the ultimate LEAD RESPONSIBILITY for child protection will not be delegated and remains with the Designated Safeguarding Lead.

The Designated Safeguarding Lead has a very detailed role, (see below)

However, if there is an IMMEDIATE safeguarding concern and the Designated Safeguarding Leads are unavailable please seek immediate support via the MASH, Children's Safeguarding (0191 520 5560).

The broad areas of responsibility for the Designated Safeguarding Leads are identified here:

### **Manage referrals**

- Refer cases of suspected abuse to the MASH, Children's Safeguarding.
- Refer cases to the Disclosure and Barring Service (cases where a person is dismissed or left due to risk/harm to a child); and/or
- Refer to the Police (cases where a crime may have been committed including Sexual Exploitation (MSET lead), Radicalisation (through the Single Point of Contact for the Channel Panel) Female Genital Mutilation and Forced Marriage).
- Support staff who make referrals to the MASH, Children's Safeguarding, Channel Panel or Police as appropriate.

### **Work with others**

- Liaise with the Headteacher to inform them of issues, especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- As required liaise with the case manager (Headteacher or where the Headteacher is the subject of the allegations the Chair of Governors) and the DO at the Local Authority for child protection concerns (all cases which concern a staff member)
- Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

### **Undertake Training**

The Designated Safeguarding Lead and any deputies should receive appropriate training updated every two years. They should undertake prevent awareness raising and in addition to the formal training their knowledge and skills should be refreshed at regular intervals but at least annually so they:

- Understand and keep up with any developments to their role
- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments.
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to and understands the schools or colleges Child Protection Policy and procedures, especially new and part time staff.
- Be alert to the specific needs of children in need, those with special educational needs and young carers.
- Be able to keep detailed, accurate, secure, written records of concerns and referrals.
- Understand and support the school or college with regards to the requirements of the Prevent duty and be able to provide advice and support to staff on protecting children from the risk of radicalisation.
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

### **Raise Awareness**

The designated safeguarding lead should ensure the school or college's policies are known understood and used appropriately:

- Ensure the school or colleges Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors and the workforce in this regard to ensure

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

its effectiveness. This includes ensuring that all staff receive the policy on their induction.

- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school or college in this.
- Link with the SSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

### **Child Protection File**

- Where children leave the school or college ensure their child protection file is transferred appropriately for any new school or college as soon as possible but transferred separately from the main pupil file. Ensuring secure transit and confirmation of receipt. This may be through an electronic system.

### **Availability**

- During term time the designated safeguarding lead (or a deputy) should always be available (during school hours) for staff in the school or college to discuss any safeguarding concerns.
- Whilst generally speaking the designated safeguarding lead (or deputy) would be expected to be available in person, it is a matter for individual schools and colleges, working with the designated safeguarding lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- The designated safeguarding lead and school should arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.

### **Taken from Keeping Children Safe in Education, 2016: Annex A**

- Ensure each member of staff has access to and understands the School's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.
- Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection.
- Ensure a whole school policy about managing behaviour and discipline including the use of reasonable force, is in place.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

- Ensure an effective whole school policy against bullying/cyber-bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.
- Inform LA of any pupil to be deleted from school admission register and follow missing from Education protocols
- Inform the LA of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

### **Responsibilities of South Hylton Primary School’s Governing Body**

Best practice would advise that a Safeguarding Governor is appointed to support the Designated Safeguarding Lead in their role from the perspective of ensuring the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity, challenge the safeguarding activity and ensure both the self-assessment tool and the Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development.

At South Hylton Primary School the senior lead Governor for safeguarding is Miss J. Brown.

#### **The role of this individual is to:**

- Ensure that governing bodies receive training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.
- Ensure that they liaise with the local authority and/or partner agencies on issues of child protection and in the event of allegations of abuse made against the Headteacher or member of governing body of an independent school.
- Ensure that the appointed member of the Governing Body for Safeguarding holds the Headteacher to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by the entire workforce in all of the above raised areas.

### **Information for Parents**

At South Hylton Primary School, Governors and staff are committed to safeguarding and promoting the welfare of the pupils/children in our care and will take any reasonable action to safeguarding their welfare. In cases where the school has reason to be concerned that a child maybe suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Sunderland Safeguarding Children Board procedures and inform The MASH, Children’s Safeguarding or police of their concern.

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

### **Procedures**

**The designated safeguarding lead (or deputy DSL) will be informed immediately by an employee of the school, pupil of the school, parent of the school or other persons, in the following circumstances:**

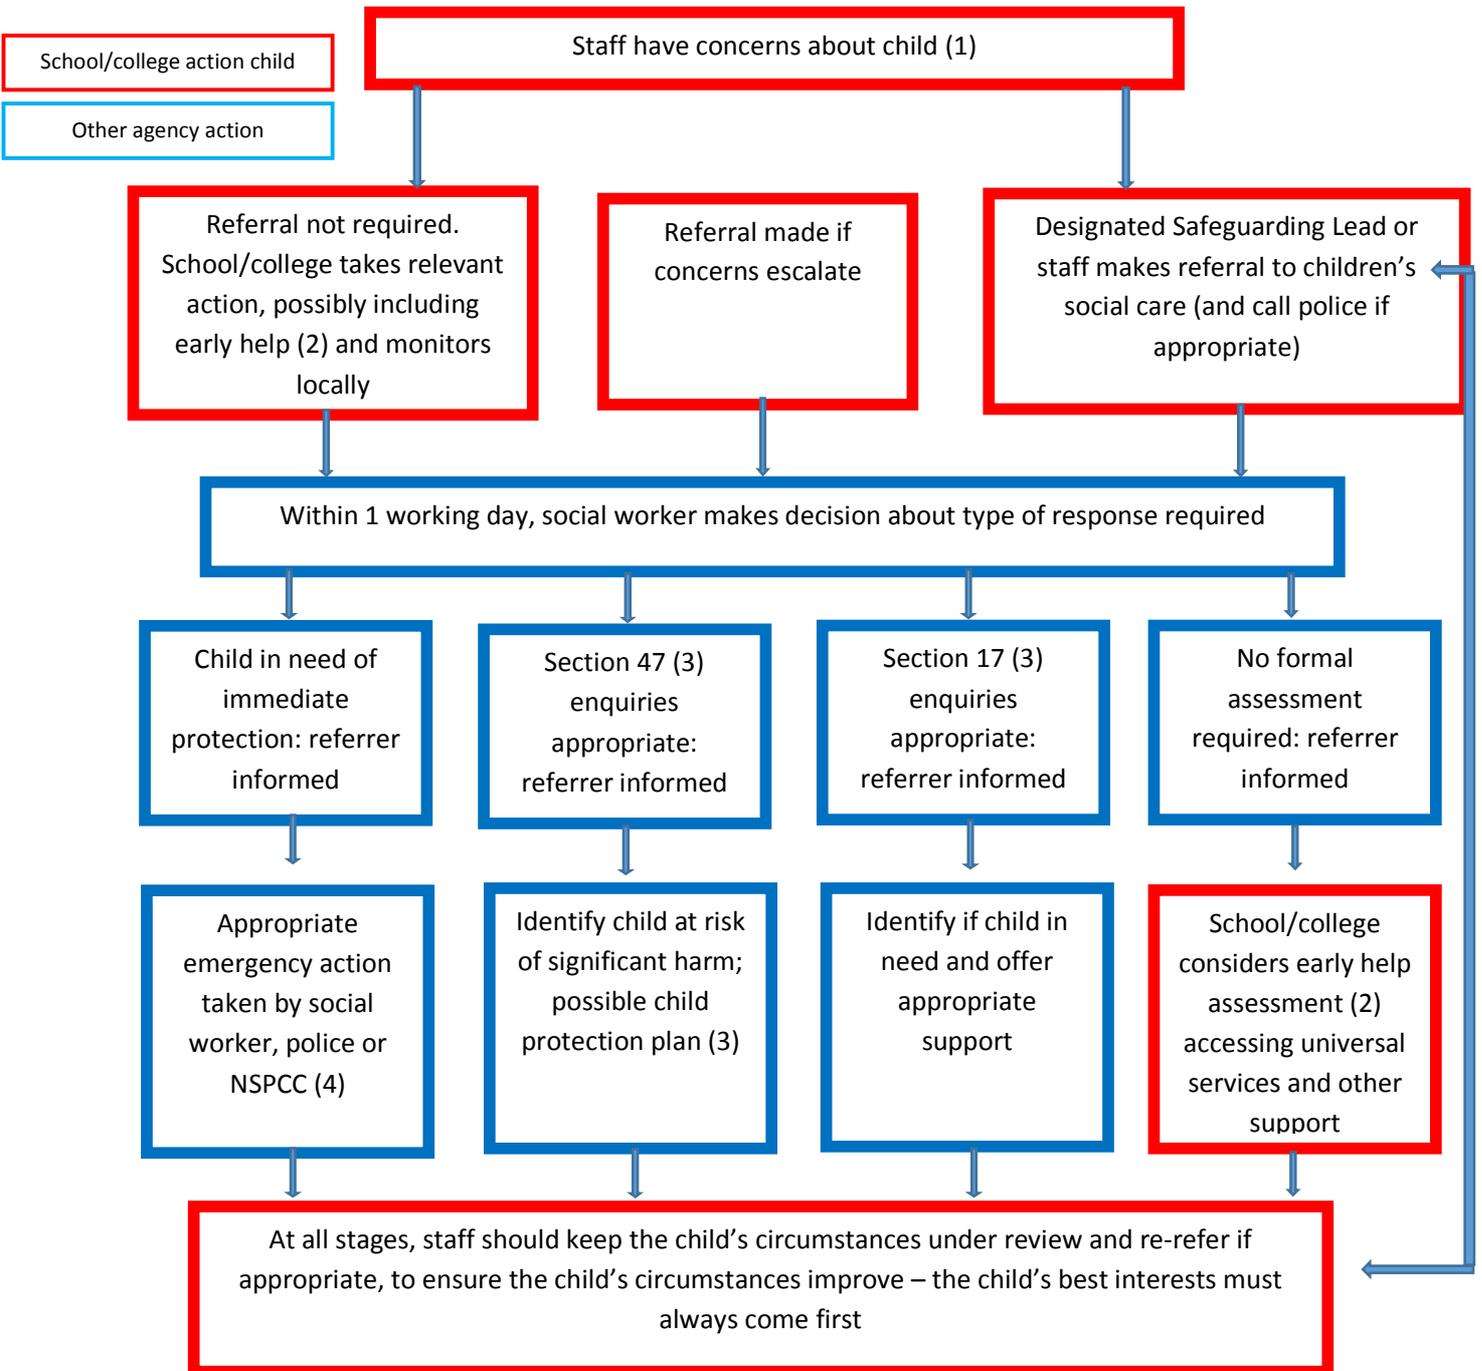

- Suspicion that a child is being harmed
  
- There is evidence that a child is being harmed

The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to The MASH, Children's Safeguarding if necessary. The Headteacher will be kept informed at all times.

## Actions where there are concerns about a child

1. In cases which also involve an allegation of abuse against a staff member, see Part Four of this guidance
2. Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, and early help inter-agency assessment should be arranged. Chapter One of [Working Together to Safeguard Children](#) provides details guidance on the early help process
3. Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. This can include s17 assessments of children in need and s47 assessments of children at risk of significant harm. Full details are in Chapter One of [Working Together to Safeguard Children](#)
4. This could include applying for an Emergency Protection Order (EPO)

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

### **Safe Schools/Safe Staff**

Governors have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

### **Whistle blowing/confidential reporting**

South Hylton Primary school's whistle blowing/confidential reporting policies provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adult's behaviour.

### **Complaints / Allegation Management Towards or with a Child or Adult**

A Safeguarding complaint involving a member of staff must be reported to the Headteacher immediately. If the complaint involves the Headteacher then the next most senior member of staff must be informed and the Chair of Governors.

A multi-agency strategy meeting may be arranged to look at the complaint in its widest context, the Headteacher/senior member of school staff must attend this meeting, which will be arranged by the DO. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.

[www.sunderlandscb.com](http://www.sunderlandscb.com)

### **Training and Support**

All staff members should be aware of the systems within their school or college which support safeguarding and these should be explained to them as part of their induction into the school to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy; Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their deputies.

All staff members should also receive appropriate safeguarding and child protection training which is regularly updated. The governing body will decide the frequency and content of this CPD. In addition, all staff members should receive regular safeguarding and child protection updates as required but at least annually to provide them with relevant skills and knowledge to safeguard children effectively with opportunities to contribute to reviewing and shaping the safeguarding arrangements.

### **Professional Confidentiality**

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. South Hylton Primary School recognizes that the only purpose of confidentiality in this respect is to benefit the child. (Child Protection Sunderland Local Safeguarding Children Board procedures [www.sunderlandscb.com](http://www.sunderlandscb.com)).

### **Record Keeping**

## **SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY**

Well-kept records are essential to good safeguarding practice. South Hylton Primary School is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the schools information sharing and recording policies to ensure recording keeping is compliant.

Safeguarding recording within South Hylton Primary school is through a paper based system. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines.

### **Attendance at Safeguarding Conferences**

In the event of South Hylton Primary School being invited to attend child protection conferences, the Designated Safeguarding Lead or deputies will represent the school and/or identify the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review). In the event that those staff members cannot attend, the following trained members of staff may attend; Mrs. W. Blyth.

### **Supporting Children**

South Hylton Primary School recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. South Hylton Primary School may be the only stable, secure and predictable element in the lives of some of the children in its care. The school, therefore, recognises that such children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

South Hylton Primary School also recognises that children are capable of abusing their peers. Peer on peer abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No peer on peer abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive **approach in order that the child can receive appropriate help and support. See Peer on Peer abuse policy for detailed information.**

Therefore South Hylton Primary School will endeavour to support all its pupils through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.
- The school ethos, which promotes a positive, supportive and secure environment and which gives all pupils and adults a sense of being respected and valued.
- Approaches which allow children and young people to develop critical thinking, literacy skills and digital literacy skills.

## SOUTH HYLTON PRIMARY SCHOOL – CHILD PROTECTION POLICY

- A curriculum which explores human rights, equality, democracy and tolerance and prepares children and young people fully for life in modern Britain.
- A coherent management of behaviour and discipline policy & procedures inclusive of the use of reasonable force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.
- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

South Hylton Primary School recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse. School staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse. School staff must give consideration to children who are subject to a statement of special needs, an education health and care plan or have a medical condition, as these can mask safeguarding issues and must not be dismissed.

South Hylton Primary School also recognises that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.

This policy **MUST** be read in conjunction with other related policies in school.

These include:

- **Safer School Recruitment and Selection policy**-inclusive of safer recruitment guidance and regulation for example a **single central record** which demonstrates the pre-employment vetting checks for all staff (e.g. identity, professional qualifications, right to work in the UK, further checks on people who have lived or worked outside the UK including recording checks for those EEA teacher sanctions and restrictions), for the workforce who are in regulatory activity (enhanced DBS, children's/adult barred list, prohibition from teaching check, section 128 check) and supervision of those who don't meet this requirement.
