The Headteacher will be responsible for all other performance management reviews in the school and will make a recommendation to the Personnel Committee regarding salary progression.

The Governing Body will also appoint a Review Officer responsible for hearing any complaints about the performance management process. This will be the Chair of Governors unless the Chair has been involved in the Headteacher's performance management review at an earlier stage. In these cases the Governing Body shall appoint one or more Review Officers.

Appeals Committee

TERMS OF REFERENCE – PREMISES COMMITTEE

For this model to operate successfully, it is necessary for the governing body to have been involved in the preparation of the school development plan where short, medium and long term plans should be identified.

Inspection of Premises

Governing bodies are legally obliged to make regular inspections (at least annually) of school premises and report back to the Authority. It is recommended that this inspection is delegated to a committee. The areas to be considered would be:

- risk assessment
- health and safety
- need for internal and external improvements and repair

NOTE - As this is a committee with delegated powers, a Clerk to the Committee should be appointed and minutes of the findings at these inspections must be considered by the full governing body at a subsequent meeting.

Lettings Policy/Community Education Policy

The setting of policies is the responsibility of the full governing body. However, this could be upon the recommendation of a committee (e.g. the premises committee). The Headteacher would be responsible for the day-to-day management of such a policy.

Allocation of budget share for premises-related expenditure

The governing body would make the final decision but the committee could make recommendations in the light of their regular building inspection.

Inventories

Under LMS it is necessary to have an inventory of all equipment, furniture, plant, vehicles etc. and it is the responsibility of governors to ensure that this is carried out annually. It would be the Authority's recommendation that this is delegated to the Headteacher/management team of the school.

Contracting work to be carried out

Decisions relating to contracting work are covered in the Financial Management terms of reference. However, input from the Premises Committee may be considered useful where the contract is building related.
